

**The #1 “Stars & Stripes” NASCAR®
Sprint Cup Racing Simulator**

60 SECOND RADIO SPOT

Get ready to strap yourself in to the only full-size NASCAR® Sprint Cup racing simulator in the world! That's right, the Official #1 “Stars & Stripes” simulator from the NASCAR® Sprint CUP SERIES is coming to:

The “Stars & Stripes” NASCAR® racing simulator is the first to combine a hydraulic motion system and computer controls with an actual NASCAR® Sprint CUP car!

This “Stars & Stripes” NASCAR® Sprint CUP car was **actually driven** in a real NASCAR® race! As featured on **NBC's "The Today Show"** and at **NASCAR® tracks around the country**, now, you can experience the **thrill** of actual NASCAR® Sprint CUP racing for yourself!

From the green flag, to the checkered, you'll feel the excitement of the **high speed turns**, hear the **roar of the engine**, and the sounds of the track. The *Stars & Stripes*” NASCAR® Sprint CUP simulator is the real thing - from the **wind in your face** to **full on-screen instrumentation!** Drivers control their own race, at their own speed in one of 29 different races on the Sprint CUP circuit - ***it's the experience of a lifetime!***

So get ready to put yourself on the fast track, with the #1 *Stars & Stripes*” NASCAR® Sprint CUP simulator, appearing at:
